Please drive no more the 25 m.p.h. when traveling to the back country
staging area of FT. Ord. It is very important to drive slow, only 25
m.p.h and control your speed, as there are other users in the back
country and wildlife habitat along the back country roads.

Please be very courteous and friendly to all other users of FT. Ord and Toro Park!
Racing your MTB can be done properly by being courteous to others and always watching out for other users of the back
country trails. Be friendly and go out of your way to be a good representation of the cycling community by showing
respect for the trails, other users, and the wildlife habitat. Thank you!- Ride Safe & Have Fun!
